## Monday Night Raw 05/17/10

We're at the last stop before Judgement Day, and the WarGames! Judgement Day's Main Event Double Title match between WWE Champion Christian & Angels' Wings (Evan Bourne and Justin Gabriel) vs. The Million Dollar Legacy (Ted DiBiase and WWE Tag Champions Bryan Danielson and Kaval) is previewed as Bourne faces Kaval! Plus, we get a full preview of a WarGames match, as The Miz teams up with his Judgement Day partners La Familia Primera (Dos Caras and Chavo Guerrero) to take on Charlie Haas and his J-Day partners MVP & Yoshi Tatsu!

This says nothing of our main event... as Mark Henry defends his Intercontinental gold against Rey Mysterio! Will Henry's J-Day partners (William Regal and Wade Barrett) - or Mysterio's J-Day partners (Vladimir Koslov and Tommy Dreamer) be far behind?

All of this and MUCH more on WWESU Raw 05.17.10!
