

Night of Champions announcement - WWE Shared Universe: Five-Star Stories Every Week!

Written by Patrick Harris

Thursday, 27 May 2010 05:17 -

JBL announced earlier today that Smackdown will be holding not one, but TWO championship scramble matches at A Night of Champions. One for the World Heavyweight Championship, another for the United States Championship. He is also promising a "major surprise" for the pay per view, but will not reveal what it is until the night of PPV itself. [Joom](#)
